

RAF

The Royal Air Force required a dynamic soundtrack to accompany a training e-learning flash stinger that needed to be exciting, contemporary and tie closely into the animation.

The soundtrack was an original production with very little sampling overlaid with additional sound material that was supplied.

RAF Stinger Track (01:34) - {mmp3}/mp3/finalmix2.mp3{/mmp3}The video of the flash stinger cannot be included due to confidentiality restrictions.
